

Nature Play Series

Experience the wonders of nature as you play and explore with your 2-5 year old child through outdoor play, stories and crafts.

Programs are held each month at 10:00 - 11:15 a.m.

November 13 Fall for Fall

Join your preschooler on a fall woodland adventure. Experience the thrill of crunchy leaves underfoot as we explore what happens in the woods during the fall.

December 11 Winter Critters

Furry, feathered, slimy or scaly, all animals need to get ready for winter. Discover what different animals do through hands-on activities, stories and songs.

January 15 Winter Wonders.

Winter is a great time to be outside. Come investigate all of the fun things winter has to offer. We will try new winter activities and enjoy the snow!

February 12 Ice is Nice

It's slippery and cold but so much fun. Join us for a *cool* morning filled with activities, a story and craft.

March 19 March Madness

Come and see what nature provides when spring is almost here. We will search for a tasty treat as we hike through the forest and play games.

****All programs will involve outdoor exploration. Please be prepared for the weather and ready to play!**

All programs are held at Wargo Nature Center. **Pre-registration is required.** Register online at www.anokacountyparks.com.

Fee: \$3.21/child, \$3.21/adult
