Wargo Nature Preschool

A Family Center Preschool opportunity at Wargo Nature Center.

Sponsored by Forest Lake Area Schools and Anoka Parks & Recreation.

The Forest Lake Family Center and Wargo Nature Center have partnered to offer a 4 & 5 year old preschool experience with an emphasis on learning in nature. Children will attend two mornings a week at Wargo Nature Center. The class will be taught by a licensed Early Childhood teacher from the Family Center and a Naturalist from Wargo Nature Center. Curriculum is play based, allowing children to learn through exploration and discovery. Working closely with the K-12 programs of Forest Lake Area Schools, teachers will support children as they develop independence and the necessary skills for kindergarten readiness and future school success. Opportunities for parent involvement will be offered throughout the year. Set in the beautiful grounds of Wargo Nature Center, the Nature Preschool will afford endless opportunities for children to connect with nature and experience genuine learning in both indoor and outdoor settings. Class size is limited, register now!

Child must be 4 by Sept 1, 2010.
